If you didn't get out for this event this year, be sure to mark it off on your calendar for next year's Fugawi, as it is always a big hit. Big Thanks to everyone involved!

On another note, last month's New Member's Tournament has been postponed to sometime in August. Shane is planning a New Member Mixer 9-Hole followed by cocktails. It'll be a great way to meet the other members. Look for sign-ups in the Pro Shop.
