We're recasting every Friday Night Dinners again and need all your support to keep it alive! It will begin on July 6th. Also, we request that all summer social members park by the pool parking lot (second entrance coming in from Golf Club Dr.) and golf members park in the first lot. This will help the Chevy Chase staff to regulate the summer members coming in as well as eliminating any possible summer members from walking through the clubhouse wet to get to their cars. We greatly appreciate your cooperation. Lastly, starting from July, we will not be giving out free hors d'oeuvres on Fridays but will be selling them Tuesday through Friday from 5 to 7 pm. which include nachos, tamales, and buffalo wings.
